Head Teacher: Mrs Ellie Watkins

30th June 2023

Dear parents/carers and families,

After the glorious sunshine of the past few weeks, I for one am quite relived at the rain! It has been such great weather, but now that it has changed a little, can I remind parents to send coats in to school if the weather looks rainy. We will still be sending children out to play. It is so important that children get lots of physical activity, and a little bit of mizzle isn't going to stop playtimes! I am very pleased however that we managed to get sports day in before the weather changed – what a success that was this year!

We are heading into the very last part of the year where we reflect on all of the amazing things that have been achieved since September. What an incredible school we have. There has been so much change – all for the better this year, and the children are absolutely thriving. Their academic results are amazing, progress in reading particularly is fantastic. We have had several visits recently from senior leaders in our Multi Academy Trust and from the English Hub, who are experts in learning and reading, and they have been very impressed with our curriculum and our children. They work hard and are focused on their learning, they are polite and positive. It is important that for the last few weeks children remember to stay focused and keep up the great work! The children are finding success in their learning but also in other areas of the curriculum, like sport, art and music. Over the next couple of weeks we hope that you will be able to join us for our end of year production by our wonderful KS2 children “The Pirates of the Curry Bean” it promises to be an exciting and humorous show!

We are also on the look out for plants (particularly lavender, rosemary and scented plants) to help improve our playground area over the holiday period and create a lovely, calming sensory space for the children to relax in. If you see any for sale cheaply, can you point us in the right direction – or if you happen to have some to donate then please do let us know! It would be a huge help.

As always things are really busy at this time of year, but we are always here if you need anything at all. Any problems or questions as always please do get in touch.

With warmest wishes

Mrs Ellie Watkins
