1st March 2024

Dear parents/carers and families,

Another action packed week at Kehelland this week! It has been a real joy to see all of the learning happening, and in particular the work happening in Trevose class with their learning relating to Bees. They are enthusiastic and excited about what they are studying and this helps them in the long run to remember key knowledge in the curriculum. The joy of learning in exciting ways is that as they grow, they will make links between the subjects and their learning making a web of knowledge to build upon as they move to secondary school and beyond. Even if that does seem a long way away for families with children in Trevose and Longships, as a parent I can say that it goes much faster than you can imagine!

I know that today most of our year 6 children and their families will be finding out which secondary school they will be going to, and this too is rather exciting. It can be a stressful and scary time, but we will always help and support our children as best we can, in a system that does not always make sense and is quite complicated. If you have any worries please do speak to your child's class teacher and we will do our best to support you all.

Over the coming weeks, we are going to be really busy! We have trips, parent's evenings, dress up days and so on planned so PLEASE keep your eyes peeled for emails, the newsletter, our Facebook page and Seesaw for communications. We always try to put our communications on all of these platforms so that we can reach everyone as people all have their own preference for the platforms that they use.

It is becoming really difficult to run our PE sessions properly as children are still not coming to school with the correct kit. As the weather is so changeable, children really MUST bring a change of footwear with their kit. Without this they will not be able to join in with PE outside or they will have to wear their school shoes which are likely to be damaged or children's feet hurt as they are not designed for sports. Those children who already wear a school shoe that is more like a trainer will still need another separate pair of trainers for hygiene purposes, and because we cannot have children with muddy footwear in the classrooms. PE is a really important part of the curriculum, for understanding physical AND mental health and as such unless children have a significant injury they do need to take part. Teachers will ask children if they have their PE kit at the start of their PE days, and if not we will telephone you to ask you to bring the kit in ASAP. If you are not sure when your child's PE days are, then please contact the class teacher who will be able to help. We thank you all in advance for your help with this.

With warmest wishes as always

Parents Evening

Sign-up sheets for parents evening will be on classroom doors from Monday 4th until Friday 8th March. Please pop into school and sign up.

World Book Day

It is World Book Day on Thursday 7th March. We are inviting children to dress up as their favourite book character and bring a copy of the book they are in. We understand dressing up can be daunting for some children, so this is optional. If your child does not want to dress up they can wear school uniform as normal, and simply bring a copy of their favourite book to share with the class.

Diary Dates - Term dates can be found on our website

6 th March 2024	Will Keating Trip to the Hall for Cornwall – See Parent Pay for details
