Friday 17<sup>th</sup> May 2024

Dear parents/carers and families,

It has been a very full week this week! Most notably, the Year 6 children have worked so incredibly hard this week and have completed their SATS tests. I am so very proud of the children, not only for their hard work and effort, but for their courage and care. Children all respond to the tests differently, and while some love them, others are genuinely worried. I have witnessed such wonderful friendships, and so many children looking after each other – reassuring hugs and little jokes to make sure that those that worry are alright. This is a genuine triumph and something to celebrate. They have all taken on the tests and the way they have to be administered with real calmness, maturity and good nature. I have enjoyed being with them so much and they have made me laugh with their jokes and hilarious questions about the tests. The most popular question they asked this week was “Mrs Watkins, what does happen after the tests?” as if learning or school as they know it will be different. They look surprised when I tell them it will all be broadly similar and not to get too excited, but I think it has dawned on them that SATS are not the most important thing and that their learning will continue for a while to come yet! Either way, please congratulate the Year 6 children on their amazing hard work and conduct this week – we are very proud of them.

As we move into the summer term can I please remind parents to apply sun cream to children in the morning and to provide a hat. I might be being overly optimistic, but we do need to be prepared for all weather! With this in mind, we will be outside and taking advantage of the sunshine for PE and games activities, please can I ask that you check your child has their PE kit in school each day including suitable outdoor footwear. Next week it is the last of the swimming afternoons on Friday and again we are very proud of the children’s achievements. It has been really helpful reorganising the swimming sessions this year, and while the children’s actual swimming time has not been cut we have managed to cut costs hugely by the whole school going together. Thank you for your support with this and thanks to the leisure centre who have been so accommodating with fitting us in.

Please do have a wonderful weekend and enjoy the sunshine if we manage to get any! As always if you need anything at all, please give the office a ring (01209643143) or email [kehelland@tpacademytrust.org](mailto:kehelland@tpacademytrust.org) and we will do our best to help.

With warmest wishes as always

Mrs Ellie Watkins
