Head Teacher: Mrs Ellie Watkins

7th July 2023

Dear parents/carers and families,

This week we have had a real focus on community! I am overjoyed to have found a cluster of lavender plants & seeds in my office – a huge thank you to the parents that have donated these! This will keep me busy over the holidays when I plant them up to make dedicated, sensory and calming areas for our children. There will be a lot of change happening with our outside space over the next 6 months or so, and your generosity with physical items and offers of help and time are hugely, hugely appreciated. We are a wonderful school, but as we are small, our capacity both financially and time wise is very tight. We could not do what we do, and provide for the children without your help and we are so grateful and glad to have all of our wonderful families as part of our community. Thank you and keep the donations coming!

Today we have taken part in more community action, working hard to raise money for Macmillan Cancer care alongside our multi academy trust, TPAT. We are raising money to make sure that all our schools have the resources to support families who are managing the emotional and physical strain of a cancer diagnosis and treatment, or tragic death in the family group. I feel that this is such an important and fundamental part of what we do and am very grateful for the children all coming in with their donations and their amazing green outfits - and amazing green cakes for tuck!

Next week our eldest children will be going to London for their residential – how exciting! I will be with them in London. In my absence, Mrs Davies as Assistant Head will be on site as will Miss Young. Any problems, please do get in touch with them and they will do their very best to help. Please stay tuned to Facebook for updates on the residential trip, we will share a great deal of pictures and news on there! Remember the train leaves CAMBORNE TRAIN STATION AT 7.30AM on Monday morning so please arrive at 7.15 at the latest.

Finally, we have advertised the post of Nurture lead at our school to start in September. This is an important and exciting role....please, please share the job vacancy (on our Facebook page, website and TPAT's website/Facebook page) far and wide and with anyone that you think might be suitable. They need to have a love of supporting children with their social, emotional and mental health and the ability to be creative with the outdoors! They should have experience of working with children or SEN. I am sure with our combined efforts we will be able to find an amazing person to join our team and further enhance the provision we have for the children. Have a wonderful weekend and thank you for your support and love as always!
