Head Teacher: Mrs Ellie Watkins

5.1.24

Dear Parents/carers and families,

Happy New Year. I would like to take the opportunity to thank you all for the good wishes you sent to staff over the Christmas period. It is much appreciated.

This term we have lots of exciting learning in store which you can see on the spring overview I have attached.

Staffing for this half term will remain the same as last term with Mr BD teaching every Monday, Tuesday and Wednesday and myself (Mrs Garrett) teaching on Thursday and Friday. Mr BD brings with him a wealth of teaching experience and we are very lucky to have him here at Kehelland.

Homework expectations remain the same; handed out on Friday and due in the following Friday. I would like to thank you all for the support you have shown towards homework, especially the Anderson shelter projects, as the standard I am seeing has been fantastic. In line with our homework policy children who don't complete their homework at home will spend five minutes of playtime attempting their homework.

All students are welcome to attend homework club after school on a Thursday where we have members of staff available to offer support. Miss Lewis' SATS club will continue this term on Monday evenings. It is already proving very successful.

Our PE days remain the same: Monday and Thursday. PE Kit should be taken home at the end of the week and returned on Mondays. It's approaching the time where we begin to learn more about our bodies in PSHE. Please can you talk to your children about using antiperspirant (roll on rather than spray) and personal hygiene ahead of the warmer seasons.

Many thanks for all you do at home to support your children's learning in school.

Kelly Garrett
