Head Teacher: Mrs Ellie Watkins

Friday 25th October 2024

Dear parents/carers and families,

We have all finally made it to half term! The children and staff really are exhausted after a productive half term – the children have all been working so hard on their learning! We are so very proud of all of our new starters who have settled into life at Kehelland amazingly well. They are all demonstrating the values that we hold dear at Kehelland and have become a valuable and much loved part of our school family. It was lovely to see so many of you at the Showcase event on Wednesday afternoon this week. It always proves to be popular and hugely positive for the children. They enjoyed sharing their learning and talking about their achievements with you and as always they absolutely loved to show their artistic creations and performance of songs.

We have started lots of new initiatives over the past half term, from a changed timetable each day to morning assemblies and daily running. Outdoor learning and PE provision has also been adapted. Speaking to the children it is clear that all of these things have really helped enhance their experience of the school day and they really enjoy them. As teachers, we were not surprised that they loved outdoor learning and running – but we were surprised by how many children spoke about loving our daily assemblies. They see them as an opportunity to get together and talk about all sorts of things and they reported that they have enjoyed seeing different teachers leading assemblies on different days. We think that this has really helped us to develop our sense of family and community within school and will continue.

After half term we will continue to be outside as much as possible, and we will be taking part in lots of activities related to the festive season! We will be once again making lanterns for Camborne lantern parade and we look forward to this each year. Our carol service will be in Camborne again this year and the KS1 Nativity is also on the horizon. Next half term as our newsletter moves to being issued every other week, please do keep an eye on the dates section as I am sure it will be action packed!

Thank you all so much for the support you show our school community and you give your children. All the staff would like to wish you a great half term, and we will see you at 8.30am on TUESDAY 5TH NOVEMBER – the Monday is an INSET day.

With warmest wishes

Mrs Ellie Watkins
