29th September 2023

Dear parents/carers and families,

This week we have had such a fantastic week, full of joy and memory making! Trevoise class have kicked off the school trips very well, by going to Camborne Library to watch Kernow King and take part in trialling his new board game called Kernow. It was an interactive and hilarious game all about the history of Cornwall. The staff and children were in hysterics – it was so funny!! We are very lucky to be able to develop the children's identity and affinity with our wonderful locality and this was a really brilliant opportunity. If you haven't been already we can highly recommend a trip to Kresen Kernow, the new heritage centre and library in Camborne – the children were really impressed. The staff commended us on how beautifully the children conducted themselves. We are so very lucky, that we have built links with Kernow King himself and he will be visiting school in October to give the whole school a chance to see his brand new show about famous Cornish people. We are really looking forward to it!

We have also had several visits from our Multi Academy trust central team who come into school to support staff to make sure we are delivering the very best for our children. They have been very impressed by our safeguarding, maths and writing approach and we feel really lucky to have their support and guidance.

Our wonderful Friends of Kehelland School (Yes, that's right – FOKS!) had a great response to their coffee get together at the end of the day yesterday. It is so lovely to have a whole community working together to support each other and ensure we develop our wonderful school and the offer for our children. A huge thank you to them for organising this. If you missed it, please get in touch and keep your eyes peeled for the next FOKS dates in the calendar!

Finally, the time has come to say "Good Luck and thank you" to Miss Bev. It is not a goodbye however! Miss Bev is leaving her role as a Teaching Assistant today, and we will miss her hugely. Her dedication, love, care and service to others is second to none. She will be missed by staff and children, but we know we will see her very often and we are so pleased that she will continue to be part of FOKS and our community as a parent/carer. We had a wonderful little party today with staff and children, and presented miss Bev with a little gift of vouchers that she can use to spend on something for her and her only (we know that she might attempt to spend them on others but we have given her instructions that they are for her only!) Thank you to the whole community for her gift, it comes from staff and families who together want to show her how much she is loved and appreciated for all she does.

Thank you for all the laughs, memories, hugs and joy Miss Bev – you are one in a million!

SIX

Lucinda in Trevose will be treading those boards again in a week or so, this time as part of BOOM Theatre's production of SIX. She is a sassy dancer within a talented cast of Queens. Six is one of the most popular musicals in the West End and Broadway at the moment and is great for a bit of a history lesson on Henry VIII and his Six Wives all packaged up with fantastic songs. The show takes place on Saturday, Sunday, Tuesday, Wednesday and Thursday at St Johns Hall in Penzance. Lucinda would love to see any of her school friends there. Tickets are available on www.boomtheatre.uk
