3<sup>rd</sup> March 2023

Dear parents/carers and families,

This week seems even more action packed than the last one. World book day has been such fun and I am so proud of every child. Not only did children all make a huge effort to dress up, but even those who found it scary or a bit strange because it wasn't part of the normal routine, did their best to take part. I think it is really important to remember that when we focus on doing our best, "best" means different things to different people. None of us are the same, and so none of us will have the same outcomes. We are proud of how different and diverse we all are, and how we work to include and celebrate everyone. Thank you so much to the parents who came in and were special readers for each class. Highlighting these role models is just amazing – and the children loved the surprise!

Next week we have some more incredible experiences for our families – we have a visit from singer/songwriter Will Keating who is a part of Cornish Male Voice singing group Oggymen. He will be doing some fantastic workshops with the children, culminating in an assembly at the end of the day – please see the letter about this that was sent a couple of weeks ago. It will be an amazing opportunity for the children to learn about the Cornish culture and practise their music and performance skills – we hope you can join us for the assembly at the end of the day. We will also be having a visit from Jessica Roper a professional Olympic Kickboxer – how exciting!

These visits help to broaden the horizons and experience of our children, and this is so important. Not only does it link closely to our motto and ethos at Kehelland school, but it helps children identify where they might want to go in the world and in their lives. We don't always want to focus on English and Maths – we know that they are important, but it is more important that we ensure children develop a love of different areas like sport and music to have productive and meaningful lives.

Today we have seen some children in Trevose class visit Camborne school to take part in an interschool competition. Well done children for taking part and doing your best! We will be doing more of these to increase the sporting opportunities for our children in future. We are always on the lookout for parent volunteers to help on trips such as these – please let Miss Young in the office know if we might be able to consider you in future.

This week most children have had a letter asking parents to sign up to Parent Pay, which is how we will be managing payments in the near future. Please be aware that when you sign up your account may have a nominal charge of £2.41 in it. This is not money that you owe, this is a technical fault on the part of Parent Pay and when it goes live we have been assured this charge will not be there.
